

ST. THOMAS' COLLEGE OF ENGINEERING & TECHNOLOGY

Complete Faculty Directory — Department-wise

Hackathon / RAG Knowledge Base Document

This document consolidates the faculty names currently listed on STCET's individual department faculty pages for CSE, AIML, EE, ECE, IT and BSHU. The department pages were checked against the official STCET website in August 2026. Total entries in this consolidated directory: 80.

Important: names and designations are dynamic institutional information. The official department pages should be treated as the source of truth if a faculty member joins, leaves or changes designation.

Faculty directory notes

The official STCET Faculty Members page provides filters for CSE, AIML, EE, ECE, IT and BSHU. The individual department pages are used here to associate each listed person with a specific department. ■cite■turn6search1■

The current official department pages list 22 CSE entries, 10 AIML entries, 12 EE entries, 10 ECE entries, 10 IT entries and 16 BSHU entries. ■cite■turn0search12■turn0search13■turn0search16■turn1search0■turn1search1■turn6search0■

Some faculty names also appear in institutional-cell compositions. These appearances can help cross-check department affiliation, but they should not replace the department faculty pages for the main directory.
